Fiesta

The Alliance Française Gaborone is adding to the heat in 2009 with the introduction of a new regular feature we call "French Friday Fiesta ("FFF").

We want to create the conditions, mood and atmosphere for all communities to gather and enjoy an evening of festive and friendly interactions... and dance the night away!

Each "FFF" will be served with a different "sauce" so you can have a taste of the different flavors of the world!

The first "French Friday Fiesta " will be :

Friday 27/02 from 7.30p.m to midnight

Theme : Cuban night

3 continents come together to share three common goals:
